TOM BOUCHARD · CODELYTHE

Tom Bouchard

AI Solutions Architect / Full-stack developer

DEVELOPER · STUDENT · BUILDER

Full-stack developer focused on AI and agentic systems since 2023. Currently AI Solutions Architect at Rizblanc, 3rd-year Epitech Montpellier student, and founder of Codelythe. Worked for Elloha, Hitopic and Rizblanc on internships. Outside code, I train in combat sports, live in music, and keep building AI tools for fun.
